(Sorted by "Region")

Update: 8 November 2022

Notes:

(1) The following list contains samples of course equivalence for exchange study in Semester 1 of 2022-23.

(2) Course equivalence is determined by the academic content, materials covered, scope and assessment of the course, and no. of contact hours involved. The College reserves the right to grant units for courses which are deemed to be equivalent to the College courses.

(3) For European partners who adopt the European Credit Transfer and Accumulation System (ECTS), their units will be calculated as: 2 ECTS units equal to 1 UIC unit. If a course falls short of the required number of ECTS for transfer, students can combine one or more courses of the same discipline to make up the unit deficiency.
