## Notes:

At least 6 of 18 units must be selected from the courses offered by the Environmental Science Programme and the others can be selected from the courses offered by other programmes. Students should pay attention to the pre-requisite(s) for each course.

# This course has been recoded from ACCT2003 to ACCT2043 with effective from Semester 2 of AY2022/23.

<sup>\*</sup> Students who continue with the final year project in the second semester of Year 4 should, with the approval of the Programme, register ENVS4005 Final Year Project II (ENV) as a major elective in that semester.
