This category is created to offer different kinds of 1-unit courses, which involve physical activities to promote students' physical or psychological and mental health. Courses under this category are coded as UCHL1XX3. Students should refer to the Online Course Selection system to choose among the available courses.

Notes:

- (1) Students admitted through international student admission scheme or other cognate admission schemes will be recommended the Chinese course(s) or alternative course(s) to take based on their Chinese

language competency.

- (2) This 2-unit course requires student to attend at least 10 lectures within his/her first two years of study. The units gained will be recorded in the transcript of the particular semester when the requirement is met by the end of that semester.
- (3) This is a course specifically designed for international students who are unable to participate in Military Training.
- (4) This denotes a category under which a number of courses will be offered for students' selection.
- (5) Under this category, students are required to choose three 1-unit courses (1 in each semester as stipulated in the Four-Year Study Plan).
